**NEW YORK.** Oct. 10.—Money closed at 8½ per cent. Exchange closed steady; posted rates, \$82@\$87; actual rates, \$81@\$81½ for sixty days, and \$86@\$86½ for demand. Governments steady; currency 9½, 10½ bid; 4½, coupons, 12½; bid; 4½, do, 10½ bid; 4½, stocks—Virginia three, 7½.

The stock market was feverish and unsettled this morning. Prices fluctuated frequently on a small volume of business. At the opening the market was strong, and nearly every stock on the list advanced fractionally. During the afternoon the market was more active, and prices strong. There was a fair amount of buying of some of the leading stocks, and values advanced, with little interruption, to the close of business. The highest prices of the day were generally current at the close. The advance ranged from 3½ to 4½ per cent, as compared with last night's figures. Sales, 3,852 shares.
